April 6 - May 11

Classes will Cover:

- **Problem Correcting**
- **House obedience**
- **Sit**
- **Stand**
- **Down**
- **Heeling**
- **Stay & Come**

Obedience Training is one of the best things you can do for you dog or puppy...and yourself. It provides the foundation for solving just about any problem. Training opens up a line of communication between you and your dog. You can teach your dog anything from 'stay' (don't bolt out the door) to 'sit' (don't jump up on the visitors) to 'off' (don't chew the furniture)

Fee: \$49 for 6 weeks
